The proper uniform shall be a one-piece leotard of moderate proportions with matching or skin-colored briefs. Bra shall not be exposed.

### **Additional acceptable attire:**

Solid black Lycra shorts (small manufacturer’s branding allowed) with no embellishments. Must be worn over the leotard and length must be above the knee or shorter. Wearing of these shorts will not be subject to a deduction per USA Gymnastics scoring rubric.

10. **Fifty/Fifty (50/50) Raffles:** Fifty/Fifty drawings are permitted by the New Hampshire Interscholastic Athletic Association (NHIAA); at the site of an NHIAA member school hosting any round of an NHIAA tournament event (s). Fifty-fifty raffles will not be permitted at "neutral sites" that are not NHIAA Member School sites.

11. **Blood Spillage And Body Fluids:**

The NHIAA Sports Medicine Committee suggests that each school develop a local policy in cooperation with their local medical personnel, on how to handle blood spillage.

**Housekeeping Procedures for Blood and Body Fluids**

Disposable latex gloves should be worn to avoid contamination of the hands of the person cleaning spillages involving blood or other body fluids and secretions. Persons involved in cleaning contaminated surfaces should avoid exposure of open skin lesions or mucous membranes to blood or body fluids. A freshly prepared solution of dilute household bleach (one quarter cup of bleach diluted in one gallon of water) or other disinfectant labeled as *virucidal*, *Tuberculocidal*, *staphylocidal* is useful. Allow the disinfectant to stand wet for a minimum of one minute to start killing pathogens and disinfecting the area (10 minutes of disinfection time guarantees surface sterility). Whenever possible, disposable towels, tissues, and gloves should be used and properly discarded and mops should be rinsed in disinfectant.

**Interpretation Of Excessive Bleeding:**

National Federation Rules call for a player, who is bleeding, has an open wound or excessive blood on the uniform, to leave the court/field.

The NHIAA interprets "excessive blood on the uniform" to mean that part of the uniform is saturated with blood. Saturated does not mean a wet spot. Saturated means a major portion of the garment is covered and soaked with blood. For this to occur, significant bleeding would have had to take place. For any blood on uniform less than "saturated", the uniform does not have to be changed. School personnel have the responsibility of treating the blood area with the appropriate disinfecting solution before the athlete may participate.

If the uniform is "saturated" with blood, the uniform must be changed before the athlete may participate. This interpretation is to be followed in the conduct of all NHIAA athletic events.

12. **NHIAA Site Selection Criteria Policy:**

NHIAA Sports Committees will make every effort to provide sites with the following criteria in mind. The criteria are not listed in order of priority.

- a. If the home team cannot fulfill all criteria necessary to host a tournament game, including charging an admission fee for the preliminary or quarterfinal games, the school shall locate another site or forfeit the home advantage.
- b. Health and safety of participants. **(See Safety Regulations for Hosting a Gymnastics Meet)**
- c. Comfort and safety of spectators (including adequate seating and parking, and restrooms).
- c. Handicapped accessible for spectators.
- d. Relative travel requirements of participating schools.
- e. The ability to sell, collect and account for ticket sales.
- f. Playing surfaces must meet the requirements as established for that sport.
- g. Facility rental charge (if applicable).
- i. Sufficient parking.
- j. Other costs associated with running the event.
  - Public Safety – Approximate costs
  - Custodial
- k. Receptivity and cooperativeness of personnel working at site.
  - l. Provide concessions (Facility keeps all sales).
  - m. Provide area for NHIAA memorabilia sales.

n. **SAFETY REGULATIONS FOR HOSTING GYMNASTICS MEETS**

In order to insure the safety of the gymnast, a member school must meet the following criteria to host a gymnastics meet:

**VAULT:** Runway – 78’ Landing – Base mat (1 ½ - 2”), Landing mat (3 ½ - 4 or Single 5 –10” base landing mat) Minimum 6’ x 18’ Padded landing area

There should be adequate space provided between event equipment, runways, dismount areas and walls.

**13. Jewelry And Body Piercing Rule:**

No jewelry, which includes body-piercing objects or earrings of ANY KIND shall be worn. Religious or medical alert medals must be properly secured under the uniform. Glitter is considered jewelry and is not permitted. All visible tattoos MUST be covered at all times.

**14. Event/Team Rotation For State Meet Competition:**

In order to guarantee that a team or independent is not put at a disadvantage in competition from one year to the next, the independent Team /Event rotation for the State Gymnastics Meet shall be as follows;

- a. The order of events shall be Olympic Order: Vault, Uneven Parallel Bars, Balance Beam and Floor Exercise.
- b. Teams and independents shall be divided evenly between all four events. Independents will be placed so that the events are balanced.
- c. Teams will be seeded for at the state meet based on an average of the top three team regular season scores\*.
