Hints To Complete An Effective Application

The information recorded on this application may be the only “enlightenment” the committee will have to determine if the nominee’s qualifications for consideration into the NHIAA Hall of Fame. It is, therefore, important to fully explain in essay form the accomplishments of the nominee. If accomplishments are line item listed, be certain it is easy to understand what the listed item stands for and what its significance may be.

Please do not use acronyms. AAHPERD or MEA may be known to the person filling out the application, but may be meaningless to the individuals evaluating the application.

If special committees or campaigns have been part of the nominee’s history, please explain the purpose of the project and how it relates as a qualification for induction into the Hall of Fame. i.e.: What was “Expanding Your Horizons” planning committee’s purpose and how was it relative to high school athletics? What was the outcome? If the nominee received a Coach of the Year award, explain in which sport; also include any other information which will help the committee to decide that the nominee is well-qualified for induction.

The committees request that only two letters of recommendation or endorsement be submitted. Consider carefully from whom letters of endorsements are from.

A 5 x 7 BLACK AND WHITE head photo of nominee is required.

The photo will be returned to owner.

Please be sure to TYPE the requested data on the original application. Faxed applications will not be accepted.

Please do not put application in folders, sheet protectors, or the like as several copies are reproduced for the committees to review.

Please do not include more than one or two copies of newspaper articles written about nominee. Oftentimes, the articles may have redundant information - the committee would like to see quality not quantity.
