- B. The results of these meets will be used to qualify for and to organize the Meet of Champions which will follow.
- C. If an athlete meets the Automatic Qualifying Standards, he/she may be entered in the divisional meet. The meet director will fill the field from all the entries meeting the Provisional Standards by the following formula: on an eight (8) lane track up to a maximum of 16 entries in the running events, and 16 entries plus ties in the field events unless it interferes with meet management; on a six (6) lane track up to a maximum of 18 entries in the running events and 18 entries plus ties in the field events, unless it interferes with meet management. If an athlete does not meet the Provisional Standards, he/she may not be entered. For an athlete to compete in the State Championships, he/she must have participated in at least one Outdoor Track meet during the regular season. (Refer to the Policies and Procedures Manual for Qualifying Standards.)
