

## 2020-21 Basketball Rules Considerations

### NHIAA Basketball Committee Adopted for 2020-21 Season

In support of the Guidance for Opening Up High School Athletics and Activities, the NFHS Basketball Rules Committee offers this document as guidance on how state associations can consider modifications to the NFHS Basketball Rules Book. The modifications outlined in this document are meant to decrease potential exposure to respiratory droplets by encouraging social distancing, limiting participation in administrative tasks to essential personnel and allowing for appropriate protective equipment.

### Return to Competition

#### 1. Basketball Rules Considerations-

- ***Pregame Protocol (2019-2021) NFHS Officials Manual, page 16, 1.8***
  - Limit attendees to the referee and the head coach from each team with each coach standing on the center circle on each side of the division line.
  - All individuals maintain a social distance of 6 feet or greater at the center circle.
  - Suspend handshakes prior to and following the Pregame Conference.
- ***Team Benches (1-13-1)***
  - ***Social distancing should be practiced when possible. Below are some suggestions.***
    - Limit the number of bench personnel to observe social distancing of 6 feet or greater.
    - Place team benches opposite the spectator seating.
    - Additional chairs or rows may be added to allow bench personnel to observe social distancing of 6 feet or greater.
    - Create separation between the team bench and spectator seating behind the bench.
    - Limit contact between players when substituting. Substitutions should report to their side of the scorer's table and wait to be beckoned in by the officials.
    - Personnel not in the game should adhere to any required local/state face covering requirements.
      - In circumstances where closer contact for sustained periods is necessary, staff, volunteers, and athletes must wear cloth face coverings/masks when possible.

(Limitations on Gatherings, NHIAA Phase 3 Reopening Guidelines & NH State Amateur an youth sport guidelines)

- **Officials Table (2-1-3)**
  - The host should sanitize the table before the game and at half time.
  - Place officials table sufficiently away from the sideline to allow for additional space for substitutes.
  - Limit seats at the table to essential personnel which includes home team scorer and timer with a recommend distance of 6 feet or greater between individuals. The visiting scorekeeper should be socially distanced but readily accessible to the home scorer and the officials. Other personnel (statisticians, media, PA Announcer, etc.) may not be deemed essential personnel and consider an alternate location for them.
  - Table personnel should adhere to any required local/state face covering requirements.

- Suspend the pregame introduction handshakes.
- Suspend post game protocol of shaking hands.

- Official may stand 6 feet or greater away from player making the throw-in and bounce the ball to that player on a front court throw-in.

- The lead official shall stand on the end line and bounce the ball to the free thrower.

- **Hydration**

- All students shall bring their own water bottle. Water bottles must not be shared.
- Hydration stations (water cows, water trough, water fountains, etc.) should not be utilized.
  - Touchless hydration stations can be utilized for filling personal water bottles.
