Points of Emphasis

1. 2025-26 NFHS Volleyball Rules Changes – Please refer to page four (4)

2. Volleyball Scoresheet Instructions

The Volleyball Committee recommends that all school personnel that may keep the Volleyball scorebook take time preseason to watch the Volleyball Scoresheet Instructions Video located on the National Federation of State High School Association website which can be found at <https://nfhslearn.com/library/videos/volleyball-scoresheet-instructions>

3. NFHS Volleyball Rule 12, Section 2, Article 8C states that it is unsporting like conduct for a coach to attempt to “influence a decision by a referee”. Coaches that visually signal line calls will be subject to sanctions as outlined in NFHS Rule 12-2-8C. This does not prohibit coaches from verbally communicating to his/her players that a ball is going out. It is also a point of emphasis that players should not be trying to “influence” the calls of officials.

4. GAME TABLE SET UP.

Per NFHS Volleyball Rule 5-8-2 and 5-7-2 to ensure proper personnel communication throughout the game: Timer, Home/Official Bookkeeper, Libero Tracker, Opponent Bookkeeper.

The following is strongly encouraged at the game table:

- Table personnel are required to arrive 20 minutes prior to game start (per NFHS)
- No cell phones at the game table (per NFHS)

5. GAME TABLE ADMINISTRATION

The following is strongly encouraged at the game table:

- Table size should accommodate five people
- Five people maximum, per table
- Included in the five, must provide a seat for the away team’s bookkeeper
- Table personnel should include at least one adult, and all table personnel should be consistent, trained, and competent in their respective duties
- Do not switch out table personnel during sets

6. OFFICIALS’ JURISDICTION begins when the official arrives on the floor. The officials’ arrival on the floor shall be at least 30 minutes before the scheduled start time of the game. The officials’ jurisdiction extends through periods when the game may be momentarily stopped for any reason. The jurisdiction of the officials is terminated, and the final score has been approved when all officials leave the visual confines of the playing area.

NOTE: The officials retain clerical authority over the contest through the completion of any reports, including those imposing disqualifications, which are responsive to actions occurring while the officials had jurisdiction. State associations may intercede in the event of unusual incidents that occur before, during or after the officials’ jurisdiction has ended or in the event that a contest is terminated prior to the conclusion of regulation play.

4. All tournaments, jamborees, festivals and similar competition in volleyball must be sanctioned by the NHIAA. All such contests sanctioned by the Committee shall not count on the regular season's record for tournament consideration. No school may enter more than one approved Columbus Day tournament. Please refer to By-Law Article VIII Sanctioning, Sect. 3: Intrastate Competition.
Officials must be certified and enrolled with the NHIAA.
5. **PRE-MATCH ATTIRE (COVERS ANY STUDENT PARTICIPATING IN PLAYABLE AREA) SHALL CONSIST OF THE FOLLOWING:**
 - a. Proper footwear (i.e. sneakers). No sandals, shoes, boots or bare feet are allowed.
 - b. Jewelry and Body Piercing Rule shall be in effect.
Dermal Piercings - These piercings are inserted into the skin and require a medical procedure to remove them. The decorative part screws onto the pin or screw that protrudes from the skin. Even with a bandage over it would seem to pose a potential hazard.
6. During a regular season match a set may be stopped to celebrate a milestone (i.e. 500 kills, 1000 assists, etc.) and the celebrating team will not be charged a timeout. Teams will report to the bench areas for a brief ceremony and then return to the court. Post season matches will not be stopped.

Tournament rosters are to be submitted on-line utilizing the AD's Admin login.

2025-26 Boys Volleyball Tournament Roster and Photo – Due May 26, 2026

- All tournament teams/rosters will be limited to a maximum of 15 players and a maximum of five (5) non players. The five (5) non-players are inclusive of a score keeper.
- Tournament rosters shall be completed via the NHIAA website, utilizing the AD's Admin login.
- If a team is going to make the tournament, a team photo in uniform (no warm-ups and no mascots allowed) must be submitted with a photo lineup. If no photo is received a logo will be supplemented.

NFHS Volleyball Rules Changes 2025-26

3-2-1 NOTE (NEW): Beginning with the 2026-27 school year, state associations may adopt the use of a non-smooth or textured volleyball.

Rationale: Allows either boys or girls to adopt a textured volleyball with no restrictions on color or shape of panels to be inclusive of all current textured volleyballs on the market.

4-2-1h(3), 4-2-1i(2): Team members may wear black, white or gray undergarments in addition to undergarments that match the predominant color of the uniform top/bottom under the uniform top and/or bottom. All team members, other than the libero, wearing an undergarment must wear the same color.

Rationale: Aligns with other NFHS rules codes allowing athletes to wear more commonly found colors of undergarments.

4-2-4d, f: Beginning July 1, 2029, the number on the front of the uniform must be centered on the upper half of the uniform top eliminating the measurement requirements from the shoulder seam and neckline.

Rationale: Removes officials from the position of measuring uniforms to verify the legal distance of the number from the shoulder or neckline, creates consistency in number placement, and allows for number placement variances due to player body types.

5-3-2b, 5-5-3b(9): Eliminates the requirement for the second referee to carry and use a lineup card to check the starting lineups.

Rationale: Allows veteran officials to use each coach's submitted lineup sheet to check the starting lineup while allowing the use of the lineup card as a training tool for newer officials to assist with tracking rotations during the match.

9-4-8c (NEW): Eliminates the judgment call of a multiple contact fault in a single attempt to play the ball on the second team hit if the ball is next contacted by a teammate.

Rationale: Allows for play to continue when multiple contacts on the second contact does not create an advantage for the offending team.

10-4 PENALTIES 1: Changes the penalty administration for an illegal libero replacement to an unnecessary delay if identified before contact of serve and an illegal alignment if identified after contact for serve.

Rationale: Aligns the penalty for an illegal libero replacement with the definition of illegal alignment which occurs on contact of serve.

I. REQUIREMENTS:

A. In order to be considered for tournament play, each school must meet the following schedule requirement:

- Maximum number of matches - 18
- Minimum number of matches - 12

B. COMPLETED SCHEDULE AND FORFEIT:

All teams must complete their entire schedule submitted to the NHIAA. Any scheduled match not played must be reported (in writing by both schools) to the NHIAA prior to the date of NHIAA pairings with an explanation. The Committee will determine if matches not played will be considered a forfeit(s) or a no match(es). A team CANNOT forfeit a match to the other team under any circumstances.

C. MAKE-UP MATCHES:

Make-up matches may not be scheduled into the last week of the season. The only matches that can be played during the last week of the season are matches on the original schedules submitted to the NHIAA.

***Exception to Reschedule into the Last Week of the Season:** If for some reason, a match must be moved into the last week of the season a letter, prior to the match being played, must be submitted to and received by the Chair of the Committee through the NHIAA Executive Director by both schools outlining the reason(s) for the request.

****Please note** that any match moved into the last week of the season must be approved and played by the last date to play. No extension of the season will be granted. In the event the match is not played both teams will be issued forfeit losses unless extenuating circumstances arise.

III. PLAYING RULES:

- A. Official National Federation Rules for Volleyball will be used in both regular season and tournament play.
- B. The Federation rule regarding uniforms will be followed.
- C. It is the recommendation of the NHIAA Volleyball Committee that the sub-varsity match be played first with the varsity match to follow.
- D. The NHIAA Volleyball Committee recommends the following pre-match schedule be used for both varsity and sub-varsity contests with a 3 (three) minutes transition period:

3 (Three) Minutes - Transition Time

(Transition time = Time between the end of the sub-varsity match and the beginning of the coaches/captains meeting of the varsity match.)

Coin Toss Held

6 (Six) Minutes – Varsity: Visiting Team/Lower Seed Warm-up

Sub-varsity: Home Team Warm-up

6 (Six) Minutes – Varsity: Home Team/Higher Seed Warm-up

Sub-varsity: Away Team Warm-up

3 (Three) Minutes - Shared - No Serving

While one team is warming up, the other team should be doing no type of warm-ups in the gym where the volleyball court is located.

Note: The NHIAA Volleyball Committee has voted that if the visiting team is running late the officials may use their discretion to confer with both coaches regarding the order of warm-ups.

- E. The NHIAA Volleyball Committee has voted to use the following match format:

Varsity: Win by 2

- 3 out of 5 sets (Rally scoring)
- Set to 25 Points
- 5th Set to 15
- Let Serve to Continue

Sub-Varsity: Win by 2

- Play 3 sets regardless of the outcome of sets 1 and 2 (Rally scoring)
- Sets 1 and 2 to 25 Points
- 3rd Set to 15
- Let Serve to Continue

When the score of a sub-varsity match is 2-0 there will be no coin toss by the official prior to the third set. The teams will return directly to their home bench and will prepare for the third set. Service will go to the team that has lost the previous two sets.

Rationale – No need to delay with a coin toss and it allows the winning team a chance to celebrate their victory. Currently they are remanded to the end-line while team captains meet with the referee. It also will save some time in the overall match.

F. The match ball should have no marking or coloring added to it.

G. The NHIAA will provide a “worked ball” for use at the semi and final neutral sites (red, white & blue).

IV. REPORTING SCORES:

It is important that all teams enter their scores on the school’s scheduling website immediately following the match in order to ensure accurate and up-to-date standings.

V. OFFICIATING:

All varsity matches are to be officiated by two (2) NHIAA registered officials. Exception to this may be sought by contacting the NHIAA office and the opposing school before the contest. This should only be considered when no NHIAA registered official is available.

VI. TOURNAMENT SELECTION:

The maximum number of teams allowed per By-Law Article IV: Classification; Sect. 10: Tournament Selection Requirements will qualify for the tournament in each division.

VII. TIE-BREAKING:

If there is a tie for any of the tournament positions, the NHIAA Tie-Breaking Procedure (By-Law Article XII) will be used.

VIII. TOURNAMENT ROSTERS:

All tournament teams/rosters will be limited to a maximum of 15 players and a maximum of five (5) non players. The five (5) non-players are inclusive of a score keeper. Rosters shall be completed via the NHIAA website. If a team is going to make the tournament, a team photo in uniform (no warm-ups and no mascots allowed) must be submitted with a photo lineup. If no photo is received a logo will be supplemented.

IX. TOURNAMENT OFFICIALS:

The NHIAA Volleyball Committee, in accordance with established By-Laws, will make recommendation of tournament officials.

X. PEP BANDS:

The Athletic Director shall call the NHIAA beforehand to allow preparation of seating for the pep band at the Tournament matches at neutral sites.

Pep bands will be allowed to play at the tournament matches held at neutral sites. Each Pep Band will be allowed a MAXIMUM of twenty (20) players. Band players will be admitted free of charge to the match in which their team is competing only when accompanied by an Advisor. Any additional members shall be charged admission at the normal rate.

Pep Bands will be assigned a seating location by the Tournament Director at the site. An advisor must be with the band at all times while playing. **Bands are not to play once the ball is put into play.**

Note: The National Anthem will be played before each semi-final match. For the championship, the National Anthem will be played prior to the match.

XI. SPECTATOR BEHAVIOR & NOISE MAKERS at Regular Season and Tournament:

- The playing of musical instruments and/or amplified music while the match is in progress shall be prohibited. The only time that a match is not ‘in progress’ after it has started is during a time-out or during between sets (This includes bands).

- Possession and/or the use of artificial noisemakers is prohibited at all times during the NHIAA regular season and tournament games. The official interpretation of an artificial noisemaker is being any object that is used to manufacture noise, such as horns, bells and whistles, or by making contact with another object or surface. (NO RALLY STICKS)
- Spectators will not be permitted to run the sidelines to encourage spectator cheering.

XII. AWARDS:

An official NHIAA Championship and Runner-up plaque, and twenty individual medals, will be awarded to the respective champion and runner-up teams in each class for both boys and girls.

XIII. NFHS Authenticating Mark-MATCH BALLS:

All match balls at all levels of play shall have the NFHS Authenticating Mark imprinted. The following procedure is to be followed:

- Prior to the start of the match the head official is to inspect the match ball(s) to ensure the NFHS Authenticating Mark is imprinted. If the home team's ball does not have the mark the visiting team's ball with the Authenticating Mark is to be used.
- In the event neither ball has the mark, the match is to be played and the head official is to report the matter to the Supervisor of Officials, who in turn will notify the NHIAA office.

XIV. FIFTY-FIFTY RAFFLE:

Fifty-fifty raffles are permitted by the New Hampshire Interscholastic Athletic Association (NHIAA) at the site of an NHIAA member school hosting any round of an NHIAA tournament event. Students will not sell tickets.

Under no conditions will these raffles be permitted at "neutral" sites that are not NHIAA member school sites. i.e.: Pinkerton Academy (Semifinals and Final rounds).

XV. PROTEST PROCEDURE AT STATE TOURNAMENTS:

During State Tournament play **AT NEUTRAL SITES**, there shall be no appeals of protests to the Executive Director. All protests shall be resolved at the match site at the time of the protest and the Protest Committee will be made up of a representative from the NHIAA Volleyball Committee and the officials involved in the match. During State Tournament Play at the home of the higher seed protests shall be resolved by consulting with the Rules Interpreter or Supervisor Designee who will be available via phone during prelim and quarterfinal contests.

XVI. BLOOD SPILLAGE AND BODY FLUIDS:

The NHIAA Sports Medicine Committee suggests that each school develop a local policy in cooperation with their local medical personnel, on how to handle blood spillage.

Housekeeping Procedures for Blood and Body Fluids

Disposable latex gloves should be worn to avoid contamination of the hands of the person cleaning spillages involving blood or other body fluids and secretions. Persons involved in cleaning contaminated surfaces should avoid exposure of open skin lesions or mucous membranes to blood or body fluids. A freshly prepared solution of dilute household bleach (one quarter cup of bleach diluted in one gallon of water) or other disinfectant labeled as *virucidal*, *Tuberculocidal*, *staphylocidal* is useful.

Allow the disinfectant to stand wet for a minimum of one minute to start killing pathogens and disinfecting the area (10 minutes of disinfection time guarantees surface sterility). Whenever possible, disposable towels, tissues, and gloves should be used and properly discarded and mops should be rinsed in disinfectant.

INTERPRETATION OF EXCESSIVE BLEEDING:

National Federation Rules call for a player, who is bleeding, has an open wound or excessive blood on the uniform, to leave the court.

The NHIAA interprets "excessive blood on the uniform" to mean that part of the uniform is saturated with blood. Saturated does not mean a wet spot. Saturated means a major portion of the garment is covered and soaked with blood. For this to occur, significant bleeding would have had to take place. For any blood on uniform less than "saturated", the uniform does not have to be changed. School personnel have the responsibility of treating the blood area with the appropriate disinfecting solution before the athlete may participate. If the uniform is "saturated" with blood, the uniform must be changed before the athlete may participate. This interpretation is to be followed in the conduct of all NHIAA athletic events.

XVII. TOURNAMENT EVENT POSTPONEMENTS (WEATHER):

- **Home of Higher Seed:** The decision to postpone a tournament match held at the home of the higher seed will be left to the discretion of the home site Director to make the decision to postpone and reschedule matches to the next day. The officials and the NHIAA must be notified of the postponement and the reschedule date and time.
- **Neutral Site – During the Week:** The decision to postpone a tournament event during the week will be made by the NHIAA. Schools, Supervisor of Officials, Game Directors, Police and Athletic Trainers will be notified by the NHIAA.
- **Neutral Site – Weekends & Holidays:** The decision to postpone a tournament event on weekends and holidays will be made by the NHIAA. SCHOOLS WILL NOT BE NOTIFIED. It will be the responsibility of the schools playing to check the NHIAA website (visit www.nhiala.org and click on the "tournament info" link). The NHIAA will notify Directors, Supervisor of Officials, Police and Athletic Trainers. TEAMS SHOULD NOT LEAVE FOR THE TOURNAMENT SITE UNTIL THE NHIAA WEBSITE HAS BEEN CHECKED.

XVIII. JEWELRY AND BODY PIERCING RULE:

No jewelry, which includes body-piercing objects, shall be worn. Religious or medical alert medals must be properly secured under the uniform. Also, any visible body and face paint and/or glitter is not allowed during regular season and tournament play. The penalty administered will be "unnecessary delay." Permanent body tattoos will be exempt from this rule.

Dermal Piercings - These piercings are inserted into the skin and require a medical procedure to remove them. The decorative part screws onto the pin or screw that protrudes from the skin. Even with a bandage over it would seem to pose a potential hazard.

XIX. PRE-MATCH ATTIRE (COVERS ANY STUDENT PARTICIPATING IN PLAYABLE AREA) SHALL CONSIST OF THE FOLLOWING:

- a. Proper footwear (i.e. sneakers). No sandals, shoes, boots or bare feet are allowed.
- b. Jewelry and Body Piercing Rule shall be in effect.

XX. CONCUSSION HEADBANDS

The permissive use of concussion headbands is not a violation of the NFHS Volleyball Rules. Therefore any student athlete wishing to compete while wearing a concussion headband should be allowed to do so without obtaining a waiver from the NHIAA office.

XXI. SCRIMMAGES AND/OR JAMBOREES:

All rules remain the same as they are administered and adhered to in the regular season and tournament play.

XXII. BENCH PERSONNEL:

For liability reasons Below Grade Nine students/children are not allowed to be on the team benches or on the sidelines at any regular season or tournament contest.

*Exception- “Ball Shaggers” – Volleyball

- One (1) ball shagger per bench shall be allowed.

XXIII. TOURNAMENT MATCH START TIMES:

Neutral Site tournament match times will NOT be altered unless the first match runs into the start time of the second match.

XXIV. PROCESS FOR DEALING WITH DISQUALIFIED ATHLETES AT ALL ATHLETIC EVENTS:

A disqualified athlete is not to be sent to the locker room or off the court unsupervised. If no supervision is available the disqualified athlete shall remain on the bench and become the coach’s responsibility to supervise.

XXV. NFHS GUIDELINES FOR MANAGEMENT OF CONCUSSIONS:

The NHIAA mandates the following of the NFHS guidelines for management of Concussions. Concussions: Any athlete who exhibits signs, symptoms, or behaviors consistent with a concussion shall be immediately removed from the contest and shall not return to play until cleared by an appropriate health care professional. For additional information and potential symptoms, please be sure to visit By-Law Article III; Sports Medicine: Sect. 13: Concussions and the New Hampshire SB402 and its language as written.

XXVI. Per NFHS Volleyball Rule 5-8-2 and 5-7-2 to ensure proper personnel communication throughout the game: Timer, Home/Official Bookkeeper, Libero Tracker, Opponent Bookkeeper. This applies to regular season and tournament games.
