    1. The team in each conference (West, Central, East) with the best Football Point Rating for the regular season will be the conference champions. These teams will be seeded 1st, 2nd, or 3rd based on their point rating.
    2. The next ten teams with the best Football Point Rating in the Division will be selected to compete in the preliminary round. These teams will be seeded 4-13 based on their point rating.
    3. The bracket will follow By-Law Article I: Policy, Sect. 16: Tournament Pairings.
  
  - Division II:
    1. The team in each conference (East and West) with the best Football Point Rating for the regular season will be the conference champions. These teams will be seeded 1<sup>st</sup> or 2<sup>nd</sup> based on their point rating.
    2. The next six teams with the best Football Point Rating in the Division will be selected to compete in the quarterfinals. These teams will be seeded 3-8 based on their point rating.

- Only games in division will count toward tournament selection prior to the Tie-Breaking Procedure.
- Non-divisional and out-of-state games DO NOT count in the standings for all divisions. These games will be utilized during the tie-breaking procedures if necessary; therefore, it will be necessary to manually report scores to the NHIAA.

## Sect. 7: Tie Breaking Procedure

In the event of a tie for a tournament position, the Football Committee shall resolve the tie by using the following criteria (CM 5.2018):

- A. If two schools are tied for a tournament position:
  - a. The winner of Head-to-Head competition will be selected.
  - b. The Football Point Rating System will be applied.
  - c. Football Point Rating against NHIAA divisional opponents selected for the tournament including all teams involved in a tie for the last position. Once the tournament teams have been selected, the teams that were tied for the last position are no longer used in breaking ties as they are not considered tournament teams.
  - d. Quality of wins against tournament teams in division including all teams involved in a tie for last position (ranking) \*\*
  - e. Football Point Rating against divisional opponents on the road \*\*\*
  - f. Football Point Rating against divisional opponents at home.
  - g. Wins on the road regardless of division or state.
  - h. Wins at home regardless of division or state.
  - i. If teams are still tied, the team that defeated the highest NHIAA seeded team in their division (this includes both tournament and non-tournament teams) will be selected.
- B. If three (3) or more schools are tied for a tournament position:
  - a. The winner in head-to-head competition will be used if all schools involved in the tie have competed against each other.
  - b. The Football Point Rating System will be applied.
  - c. Football Point Rating against NHIAA divisional opponents selected for the tournament including all teams involved in a tie for the last position. Once the tournament teams have been selected, the teams that were tied for the last position are no longer used in breaking ties as they are not considered tournament teams.
  - d. Quality of wins against tournament teams in division including all teams involved in a tie for last position (ranking) \*\*
  - e. Football Point Rating against divisional opponents on the road \*\*\*
  - f. Football Point Rating against divisional opponents at home.
  - g. Wins on the road regardless of division or state.
  - h. Wins at home regardless of division or state.
  - i. If teams are still tied, the team that defeated the highest NHIAA seeded team in their division (this includes both tournament and non-tournament teams) will be selected.

\*\* Ranking is defined as the total number of wins by beaten opponents in division that qualify for the tournament against other tournament teams divided by the total number of games against tournament opponents. Example: If you played eight tournament teams and you beat three of them, you would add the wins against tournament teams of those three beaten opponents. You would then divide that total by the number of tournament opponents played by all eight of the tournament teams you have played.

\*\*\*On the road – means games scheduled as “away” games.

**Sect. 8: Football Rating System**

The point rating system that will be used to break ties for playoff seeding purposes:

10 points per win

Out-of-state games and out of Division will not be rated

Opponents' Value earned as a result of wins or ties by opponents who were beaten or tied by a school:

|                 | WIN | TIE |
|-----------------|-----|-----|
| Beaten opponent | 2   | 1   |
| Tied opponent   | 1   | .5  |

The point rating of a school will be determined by adding the total of "own value" plus "opponents' value" and dividing by the number of games played by the school.

**Sect. 9: Playoff Game Sites and Officials**

- A. All playoff games in each division will be played at the site of the higher seeded school. In the case of a tie or other conditions, playoff games will be played as determined by the Football Committee.
- B. Officials for all playoff games will be selected by a committee composed of the Chairman of the Football Committee, the Supervisor of Football Officials and the Executive Director of the NHIAA.

**Sect. 10: Awards**

Official NHIAA championship and runner-up plaques, in addition to 45 team medals, will be awarded to the respective champion and runner-up teams in each division.
