**BY-LAW ARTICLE XXXVII**

**Wrestling**

**Boys**

**Sect. 1:** Wrestling shall be administered by the NHIAA Wrestling Committee and the rules of the National Federation will govern the sport when applicable.

**Sect. 2:** School requirements for the NHIAA wrestling tournament are:

A. Must have a coach appointed by the school.
B. A contestant must have participated in two documented weigh-ins AND three (3) individual matches at their postseason weight or lower. The matches cannot have all occurred at the same event. (CM 5.2021)

**Sect. 3:** All wrestlers will certify their scratch weights no later than the second Saturday in January.

**Sect. 4:** The following weight control program is mandated. Prior to the beginning of the first meet, each wrestler must consult their coach, parents, and school athletic trainer or physician. It is mandated that all wrestlers have their body fat measured by a medical professional prior to the first meet. Appropriate wrestling weight is that weight, which can be maintained, by eating a healthy, balanced diet. 7% for males and 12% for females is designated as the medically safe, minimum percent body fat for high school wrestlers. Wrestlers shall not certify for a weight class that is below these minimum guidelines. Most high school wrestlers will perform very well at a body fat above 7%. No wrestler is permitted to wrestle at a weight class lower than his certified weight. Appeals to the minimum weight certification requirement requires a statement filed by a physician to the NHIAA office.

**Sect. 5:** Each school is allowed a maximum of 14 wrestlers (one per weight class entry), and two coaches and two managers passes to participate in the state tournament.

**Sect. 6:** The NHIAA will recognize official competition in the following pound weight classes:
